Bell - Flat - © Jane Eborall

No. 20 thread - 2" x 2"   No. 80 thread - 1" x 1"

I designed this bell as a small Christmas Tree decoration or (if worked in a fine thread) as a motif to be added to a wedding / wedding anniversary card. It can also be used to make earrings. The bell is made in one 'round'.

For the earrings I made the picot on R12 long enough to add several beads before attaching to the finding. Any problems with this pattern, please email me.
