The red figures in italics represent the number of picots to be added to the double beaded picots.

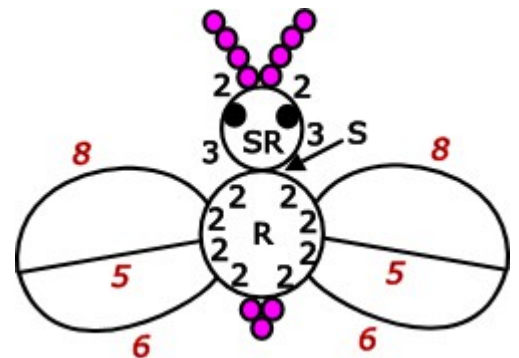

Small Butterfly - 2 beads for eyes required on SH1

Make ring following the diagram on the right [and this link.](#)

Work the ring first starting at 'S'.

Before starting the head (SR) put 1 bead @ back of hand.
Work as below.

SR2: 3 MB (from shuttle) 2 / 3 MB (from back of hand) 2 Cl

Large Butterfly - 2 beads for eyes required on SH1

Make ring following the diagram on the right [and this link.](#)

Note. The ring has very small picots near the start and finish which will stop the head from 'wagging about'!!!

Work the ring first starting at 'S'.

Before starting the head (SR) put 1 bead @ back of hand.
Work as below.

SR2: 1 + (vsp) 3 MB (from shuttle) 2 / 1 + (vsp) 3 MB
(from back of hand) 2
