**Abbreviations**

|    |                 |    |              |     |                  |
|----|-----------------|----|--------------|-----|------------------|
| R  | ring            | RW | reverse work | vsp | very small picot |
| SS | switch shuttles | Ch | chain        | SR  | split ring       |
| Cl | close           | Lj | lock join    |     |                  |

**Materials required:-** 2 shuttles and thread of your choice. The completed mat when worked in size 40 measures approximately 12 ½" by 9 ½". Size can be easily adjusted by adding more repeats to the centre round.

## **Side 2**

*Ch: 6 + (second picot on next Ch round 1) 6 RW*

Repeat from SR2 on side 1 until next corner as before.

Further rounds are just repeats of these two. You can make the doily as large or small as you like.
