[Click here](#)

This pattern was originally designed for the Palmetto Tatters Tat Days in 2007. I hope I've managed to make it simpler to work with revised text and diagrams. Diagrams (which have been placed between the two versions) apply to both.

Abbreviations

R	ring	Ch	chain
- or p	picot	SR	split ring
LBP	Long beaded picot	MB	move bead along core thread
Cl	close	RW	reverse work
+ B	add bead to picot before joining	vsp	very small picot
LP	Long picot - size between ()	+	join
Sh1	Shuttle 1	MB	Move bead on core thread
BBB	3 beads in place of picot	Fp	False picot (space same size as picot)
T & C	tie and cut	rnd	round

Materials required – 2 shuttles for round 1, 1 shuttle for round 2, four colours of size 20 threads and size 11 seed beads for version 2.

Flower – version 1 (no beads) – 2 shuttles with colour A (colour which forms the central ring) on Sh1 & colour B on Sh2.

Version 1 (no beads)

Round 1 - Start with Sh2.

2 shuttles with colour A (colour which forms the central ring) on Sh1 & colour B on Sh2.

SR1: 2 LP (¼") 2 / 2 **DO NOT CLOSE** but turn work to make the following ring on the SR with Sh2.

R2: Fp 3 – 3 – 3 – 3 – 3 – 3 Cl turn work to continue SR1

SR1: Fp 2 Cl SS DNRW

*Ch: 3 SS DNRW

SR3: 2 LP (¼") 2 / 2 + (next p on R2) 2 Cl SS DNRW repeat from * 4 times

Ch: 3 T & C to SR1

Round 2 - 1 shuttle with colour C on shuttle and D on ball.

R1: 4 – 2 LP (¾") 2 – 2 + (LP) 2 – 4 Cl RW

Ch: 4 LP (¾") 1 LP (¾") 4 RW

*R2: 4 + (last R) 2 LP (¾") 2 – 2 + (LP) 2 – 4 Cl RW

Ch: 4 + (SR rnd1).

Before joining hold the previous LP to the side and out of the way of the join which is just going to be made. Lay the chain thread over the SR, pull it down through the middle of SR & then up through LBP on SR before joining. 4 Cl RW

R3: 4 + (last R) 2 LP (¾") 2 – 2 + (LP) 2 – 4 Cl RW

Ch: 4 + (LP on Ch before last). Take the LP down over the chain before the SR that the last chain was joined to. Now take it behind the picot on the centre ring on round 1 and up on the other side and over the next chain) 1 LP (¾") 4 RW.

Repeat from * 3 times then R2, Ch, R3. Remember to join to the first LP on the first chain taking it through round one as before. Continue with

R12: 4 + (last R) 2 LP (¾") 2 – 2 + (LP) 2 + (1st p R1) 4 Cl RW

Ch: 4 + (SR rnd1 as before) 4 T & C to base R1

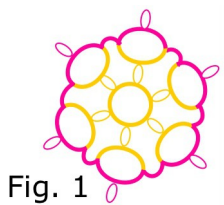

Fig. 1

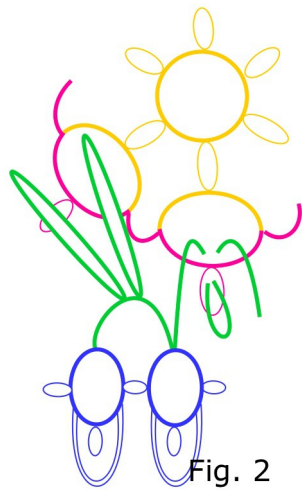

Fig. 2

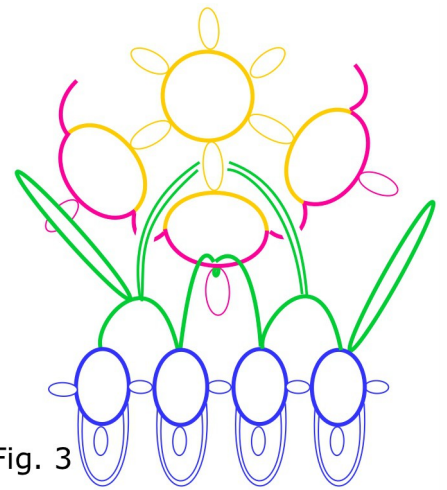

Fig. 3

Version 2 (with beads)

2 shuttles with colour A (colour which forms the central ring) on Sh1 & colour B on Sh2.

Round 1 - Start with Sh2.

SR1: 2 LBP (5 beads) 1 + (LBP) 2 / 2 **DO NOT CLOSE** but turn work to make the following ring on the SR with Sh2.

R2: Fp 3 - 3 - 3 - 3 - 3 - 3 CI turn work to continue SR1

SR1: Fp 2 CI SS DNRW

*Ch: 3 SS DNRW

SR3: 2 LBP (5 beads) 1 + (LBP) 2 / 2 + (next p on R2) 2 CI SS DNRW repeat from * 4 times

Ch: 3 T & C to SR1

Round 2 - colour C on shuttle and D on ball. Add 48 beads to shuttle thread.

Before starting each ring move 3 beads to back of hand.

R1: 4 - 2 LBP (11 beads) 2 BBB MB 2 + (LBP) 2 - 4 CI RW

Ch: 4 LBP (11 beads) 1 LBP (11 beads) 4 RW 3 beads @ back of hand

*R2: 4 + B (last R) 2 LBP (11 beads) 2 BBB MB 2 + (LBP) 2 - 4 CI RW

Ch: 4 + (SR rnd1). Before joining hold the previous LBP to the side and out of the way. Lay the chain thread over the SR, pull it down through the middle of SR & then up through LBP on SR before joining 4 CI RW 3 beads @ back of hand

R3: 4 + B (last R) 2 LBP (11 beads) 2 BBB MB 2 + (LBP) 2 - 4 CI RW

Ch: 4 + (LBP on Ch before last) Take the LBP down over the chain before the SR that the last chain was joined to. Take it behind the picot on the centre ring on round 1 and up on the other side and over the next chain) 1 LBP (11 beads) 4 CI 3 beads @ back of hand

Repeat from * 3 times then R2, Ch, R3.

Ch: 4 + (LBP on Ch as before) 1 + (LBP on first Ch also taking it under and over chains on rnd1) 4 RW

R12: 4 B (last R) 2 LBP (11 beads) 2 BBBB 2 + (LBP) 2 B (1st p R1) 4 CI RW

Ch: 4 + (SR rnd1 as before) 4 T & C to base R1.
