This pattern is done in 3 rounds: the front motif, the back motif and the outer round. The stitch count is based on the sequin size and thread as given below. You may also need to adjust your stitch count according to the tension of your tatting.

Materials:

4 heart-shaped sequins: top to bottom tip = 15 mm, left to right = 16.5mm at the maximum, and with a hole at the top tip and another hole at the bottom tip.

2 shuttles

Size 20 thread

Small crochet hook that can go through the holes of the sequins

Front Motif: With shuttle and ball thread, CTM

[Ring: 10 – 10

Chain: 2 – 2] x 3 times

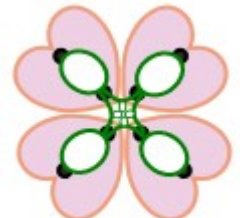

Ring: 10 – 10

Chain: 2, join to all the previous 3 picots, 2

Tie to base of 1st ring.

Leave thread ends long if you intend to make a bookmark with a long tassel.

Bring both the thread ends to the picot of 1 of the chains.

Front

Back Motif: With 2 shuttles, CTM

[Ring: 10 – 10

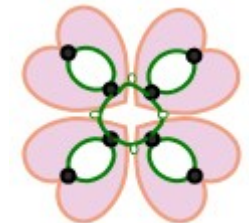

Using two shuttles.

Chain: 2 – 2] x 4 times

Tie to base of 1st ring.

Leave thread ends long if you intend to make a bookmark with a long tassel.

Bring 1 of the thread ends to the picot of 1 of the chains. Leave the other thread end (A) as it is for sewing down the sequins later.

Back

Outer Round: With shuttle and ball thread, CTM

Join to back motif at the picot with the thread end coming out of it.

[Chain: 23

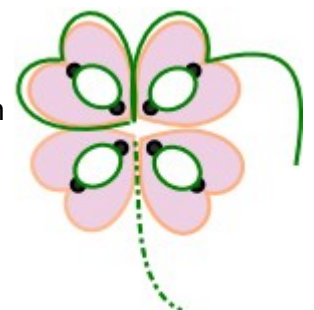

With crochet hook, go through picot of ring of front motif, top hole of sequin and picot of ring of back motif. Pull shuttle thread through all 3 and shuttle join. Continue with chain

Chain: 23

Join to next picot on chain of back motif.] x 4 times

The last chain is joined back to the same picot as the 1st chain.

Leave thread ends long if you intend to make a bookmark with a long tassel.

Outer round
