

# Edging "Hearts"

Microfibra thread

## Materials:

- thread of 2 colours (white and melange)
- 3 shuttles

## Abbreviations:

- sh1 – shuttle 1 – green lines
- sh2 – shuttle 2 – grey lines
- sh3 – shuttle 3 – pink lines
- SCMR – self-closing mock ring
- vsp – very small picot
- HM SSSR – half moon single shuttle split ring
- x – lock join
- J (n) – Josephine knot (number of half stitches)
- JPT (n) – Josephine pearl tatting (number of half stitches – the same ammount for upper and lower half stitches). Core thread in the picture is in the middle.

## Notes:

- Sh1 and sh3 – melange thread
- sh2 – white thread
- ① Before closing SCMR tie sh3 thread to the loop thread.
- ② 2nd half of HM SSSR – 10 double knots for microfibra thread, 9 – for cotton.  
Do not join to vsp yet.
- ③ Joining to vsp: pass sh2 thread through vsp to make a loop, take core thread of the chain (sh1) through the loop and tighten the loop.
