

[Click here](#)

The cross on it's own measures 2 ½" when worked in a number 20 thread.

Abbreviations

R	ring	Ch	chain
SR	split ring	vsp	very small picot
Cl	close	RW	reverse work
DNRW	do not reverse work	SS	switch shuttles
SCMR	self closing mock ring	T & C	Tie and cut
LCh	Lock chain consisting of first half stitch worked as normal followed by second half NOT FLIPPED (wrapped)		

Wind two shuttles CTM with 4 yards on Sh1 and 2 yards on Sh2 for a bookmark and 3 yards on Sh1 and 1 ½ yards on Sh2 for 'just a cross'.

Note: for those who prefer front side/back side tatting the text in italics and red indicates where the worker needs to use the second half of the ds first.

If beads are wanted then add 12 beads to Sh1 before starting. After working the final SR (14 or 19) take the other shuttle end through the final bead then T & C.
