Heart button earring

Materials

Three sizes of buttons can be used for this pattern, a 14mm (large), 12mm (medium) or 12mm (heart shaped) button. The finished sizes are 4.5cm (across) x 6cm (height). 4cm x 5cm and 3cm x 3.5cm (earring in no. 80).

No. 20 thread for large and medium, no. 80 for earrings. Beads

Two shuttles and a knowledge of Split Rings and the Self Closing Mock Ring.

Abbreviations:

SCMR	Self Closing Mock Ring	Wsh 1	working shuttle one
+	join	Rw	reverse work
T & C	tie and cut	+ Bttn	join to button

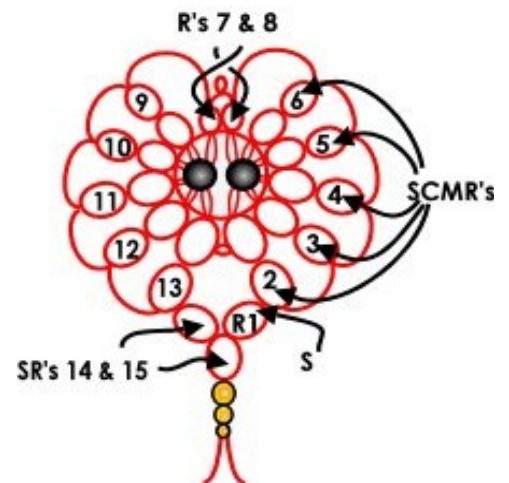

NB No finishing off at the end is required as the threads of the final split ring are used as part of the design.

1. Large heart using 14mm button

Start with Wsh 1 only and add in Wsh 2 for rest of motif

The chains can be plain or with beads. If beads are required, allow 2 ds between each bead. You will need 40 beads on Wsh 2. Glittery thread should be added with the no. 20 thread to both shuttles if required..

Add beads to ends according to taste.

2. Medium heart.

For the medium heart use the 12mm button. If adding beads you will need 34.

To work the this heart – miss out SCMR 6 & SCMR 9

3. Small heart.

For the earring use the heart button and no. 80 thread. Work as for the large heart.
